## St Angel's, Rohini, organises robotics competition

St Angel's School, Rohini, organised an inter-house robotics competition for its students to bring out their ideas and then convert them into live real-time working machines.

The event was a carnival of imagination, creativity, and innovation. The students were divided into various groups and were provided with a

**The participants bagged prizes in various events held under both junior and senior categories**

platform to think, collaborate and showcase their skills.

In the junior-level category, Team 3 comprising Harshit from Class 6B and Chirag from Class 4C bagged the first rank.

The second rank was secured by Team 6 comprising Alok from Class 4A, Rituparna (4C) and Diva Ivon (4A) while the third rank winner was Team 7 comprising Anirudh (4E), Vansh (4C) and Navyank (3E).

The appreciation awards in this

category were given to Geetanjali (2A), Nirbhay (2A), and Harshit (6B).

In the senior-level category, Chinmay from Class 9D, Maulik (7D) and Saksham (7E) secured the first, second and third ranks respectively.

The appreciation awards in this category were given to Harshit (7E), Aaditya (7D), and Ansh Singh (9E).

The Head of the School, Neelum Singh, lauded the efforts put in by the students and motivated them for a higher purpose in life.
