

ST. ANGEL'S SCHOOL, ROHINI SCHOOL IN NEWS

More laurels to St. Angel's

St. Angel's School, Rohini, feels proud to announce the addition of another milestone in its list of accomplishments. Saanvi Singh (class X), Pushkar Gupta (class X), Shivani Jha (class X) and Neel Kumar (class X), participated in the International Asteroid Search Program - A NASA Citizen Scientist program wherein they have discovered asteroids which International Asteroid Search Collaboration, USA

confirms. It took hard toil and strong determination to carve a niche in the world. The school was thrilled to

share the news that the Asteroid discovered by Angelites has been named '2022 GB6'.
